I just needed you to tell me time and day and place with a days notice so I'd have time to arrange a form of transportation

You are traumatizing me more I can't believe you are a person that the public chose to make good things happen. I don't know what your job fully entails but I'm pretty decent. So I can't have

zero notice of a meeting and be there at a seconds notice because I do not have money or a car

I also do not have an office or meeting place like you say you do.

12:17 PM

You have? What address did you give me?
What date and time?

sure taunting me in this time of hardship isn't on your job qualifications list

OMG!

I have done that and you always find an excuse so I am not going to do that anymore. I said, you tell me a time and place and I will let YOU know if I can make it or not. The end!

The National Crime Victim Bar Association

to me

Hi Sarah,

My name is Nancy, I am an attorney referral specialist with the NCVBA. Thank you for that information. I am very sorry to hear about what happened to you. In order to determine whether we can provide you with a referral to a civil attorney, I need to know a bit more about the situation.

- 1) What was the crime?
 - 2) When did it occur?
 - 3) Where did the crime(s) occur – city/state, and also specific location (private residence, public property, business premises, etc...)
 - a. If there may be a liable landowner
 - i. What did the landowner do wrong to cause or contribute to the cause of this incident?
 - ii. What could the landowner have done to prevent this incident?
 - 4) Do you know the perpetrator? If so, what is his/her relationship to the victim?
 - 5) Have you reported the crime(s) to law enforcement? If so, has anyone been arrested, charged, or convicted of a crime?
 - 6) What injuries has the victim suffered as a result? If there are any related medical bills (including costs for psychological counseling) how much do they total?
- 1 Also, to let you know a bit about what we do: We have a network of attorneys who can help victims file civil lawsuit against perpetrators and third parties for monetary damages. Typically, we handle cases involving catastrophic assaults, alcohol liability, negligent security, campus sexual assaults, and wrongful death. Let me know if I can assist further, and I look forward to hearing from you. You can also leave me a message at [202-467-8773](tel:202-467-8773) if that is preferable, and I will return your call.

If you would like to complete a survey to help us improve the Attorney Referral Service, you may do so [here](#).

Best,

Nancy
